ORDER NO.

**SUBJECT:**

DOCKET NO. 2007-440-E – Application of Duke Energy Carolinas, LLC for Approval of Decision to Incur Nuclear Generation Pre-Construction Costs for the Lee Nuclear Station in Cherokee County - Discuss with the Commission a Freedom of Information Act Request from the Charlotte Business Journal Dated May 13, 2008.

**COMMISSION ACTION:**

The Charlotte Business Journal seeks copies under the Freedom of Information Act of Duke's cost estimates for the Lee Nuclear Station as provided to the Commission during the hearing on May 12, 2008, and the written record of testimony related to cost estimates provided by Duke witness Jamil during the hearing. This Commission has addressed disclosure of the cost estimate information four times during this proceeding, and, each time, consistent with the its statutory duty to conduct its hearings using procedures designed to protect the rights of all parties, this Commission has ruled that this information can and should be protected from disclosure, while making it available to the parties pursuant to a confidentiality agreement, so that the Company can negotiate the lowest possible cost for its customers. Mr. Chairman, since I believe that this material constitutes a "trade secret" and that it relates to proposed contractual arrangements under the Freedom of Information Act, and that, despite the dicta in our ruling in Order No. 2008-327, I believe it is a "trade secret" under the South Carolina Trade Secrets Act, I move that this Commission deny the request of the Charlotte Business Journal for the cost estimate information documents and the transcript of testimony produced in the closed portion of the hearing on May 12, 2008. However, the need for confidentiality of this material is of limited duration. Once Duke's negotiations with its vendors are completed, which is anticipated around the year's end, this Commission would entertain a request to release the information.
